

ACARA by ROMO

PRESS RELEASE

ACARA

Textured Weaves

Creating a textural haven, Acara presents a perfect trio of luxury weaves. Produced using recycled cotton yarns, originating from the fashion industry, Osumi and Kota are two wonderfully soft and contemporary qualities featuring an abundance of textural intrigue. Whilst Acara, a textured semi-plain with a subtle chevron design and rich in depth and movement, completes the collection.

Osumi and Kota are created using recycled cotton yarns, that have been inspected and assessed in accordance with the Global Recycled Standard (GRS) 4.0.

“Further expanding Romo’s extensive range of textural plains and our passion for innovation, Kota and Osumi from the Acara collection are two environmentally conscious qualities made from over 75% recycled cotton yarns, that prove you do not need to compromise on style when it comes to environmental wellbeing.”
Emily Mould, Design Director

About Romo

The founding brand of The Romo Group, Romo is renowned for its assorted library of classic and contemporary designs and versatile plains, offering a diverse style and timeless elegance enriched with a sophisticated colour palette.

Led by Design Director Emily Mould, the Romo studio is a continuous hub of activity and creativity. An Aladdin's cave of sketches, paintings, fabric and colour charts, the studio walls are a constant source of inspiration. Each launch the designers research new ideas, finding inspiration in an array of influences from travel and fashion to nature and the outdoors.

Romo is part of The Romo Group, a family run business in its fifth generation. The range is available worldwide through an extensive network of selected interior designers and retail outlets.

Please contact us for price information, samples and images, we are also happy to arrange interviews and offer expert commentary from our designers.
