

CHELSEA

100% LINEN PRESS RELEASE

A Kirkby staple, CHELSEA II is a relaxed, Oeko-Tex certified, washable 100% linen, meaning the fabric is free from harmful chemicals. CHELSEA II has a beautiful stone-washed finish, which gives a relaxed feel and makes it the perfect weight for drapery and upholstery.

CHELSEA II has been re-coloured to include a mix of warm neutrals, rich browns and fresh greens that add yet more versatility to the existing palette of contemporary shades.

SUSTAINABLE NOTES

- Linen is considered to be a sustainable fibre as it is a natural product and the entire flax plant can be used when harvested, meaning there is almost no waste created during the spinning and weaving processes.
- Flax plants are cultivated at close proximity, producing a high yield and storing large quantities of CO2 each year. Flax plants help improve soil quality which encourages biodiversity in the local ecosystem.
- Oeko Tex means no harmful chemicals were used in the making of the fabric
