

# CUSHIONS

PRESS RELEASE

## CUSHIONS

Kirkby Design's latest eclectic cushion collection showcases exclusive designs from Kirkby Design's exciting and experimental fabric ranges. Presented in an array of playful shapes, the latest range includes for the first-time, round, rectangular and bolster cushions.

The collection is natural in feel with organic forms and floral tapestry-style weaves, mixed with large-scale abstract designs of painterly brushstrokes and soft geometrics. A soft spin on the urban aesthetic is added with fabrics featuring sprayed lines and splash marks of freestyle graffiti and the exposed seams and raw edges of a hand-stitched denim-inspired patchwork.
