**SPRITZ FR TEXTURED WEAVE  
PRESS RELEASE**

# SPRITZ FR

Kirkby's latest plain offering, SPRITZ FR, is a richly textured upholstery fabric crafted from a considered blend of natural yarns, including linen, wool, and organic cotton.

Inherently fire-retardant, SPRITZ FR is woven from the perfect combination of fibres to create a chunky, textured cloth with a blanket-like quality and a subtly peppered surface.

Presented in playful colour combinations, the palette offers a selection of colourways with a two-tone appearance, giving the fabric an intriguing three-dimensional quality.

Perfect for upholstery, SPRITZ FR is a versatile and durable fabric that feels both timeless and dynamic.
