

## Textured Weaves

As the name suggest, Surface is a considered collection comprising three upholstery qualities, all with impactful textures full of unique character. A welcome addition to our library of weaves, two characterful bouclés and a knitted wool fleece made from recycled wool and polyester fibres from the fashion industry take texture to a new level of irresistibility.

## ABOUT KIRKBY DESIGN

Led by Brand Director, Jordan Mould, influential British interiors brand, Kirkby Design, has a contemporary and sometimes playful approach to innovative design and colour. Creating distinctive textiles from its in-house studio in London, Kirkby Design has also pioneered unique collaborations including the successful Underground collection with Transport for London and with the iconic fashion brand, Eley Kishimoto.

Kirkby Design is part of The Romo Group, a family run business in its fifth generation. The range is available worldwide through an extensive network of selected interior designers and retail outlets.

Please contact us for price information, samples and images, we are also happy to arrange interviews and offer expert commentary from our designers.
