VOLUME

Textured Weaves

PRESS RELEASE

VOLUME

A playground of texture, Volume is an irresistible representation of extreme touch and tactility.

Designed to stimulate the senses with an out-of-this world feel, Volume is a study into oversized textures and haptic pleasure. Featuring 11 enticing qualities presented in a calming colour palette with pops of bright pastels, Volume dares you to try and not touch.

Experimenting with structural confines, quilted velvets depict an oversized corduroy design and a bed of decorative roses, while plush virgin wool is used to create a statement, tonal herringbone. An intriguing mix of chenille and bouclé yarns demand to be handled, while long pile cotton creates fun and furry furniture, and a wool bouclé is woven in an irregular moiré pattern. Completing the collection, is a tribute to the classic cricket jumper, created using recycled cotton yarns originating from the fashion industry.

“Created using innovative techniques that typify the experimental nature of Kirkby Design, Volume is a study of weaving capabilities that push the limits of normality and embrace individuality.”

Jordan Mould, Brand Director

JUMBO CORD QUILTED VELVET

A fluted, quilted velvet, Jumbo Cord is an oversized interpretation of classic corduroy, softened by a premium triple quilting to give a plush, 3D finish.

4 Colours | Suitable for upholstery and accessories

SNUG WOOL BLEND

Woven from natural, virgin wool, Snug is rich in texture with an exceptionally deep pile featuring a large-scale herringbone design, cleverly created by shearing away lines in the pile.

4 Colours | Suitable for upholstery and accessories

BRUSH TEXTURED WEAVE

Taking inspiration from the world of high fashion to create this dramatic, eye catching material, Brush is a playful yet sophisticated long pile cotton weave with an incredibly soft texture.

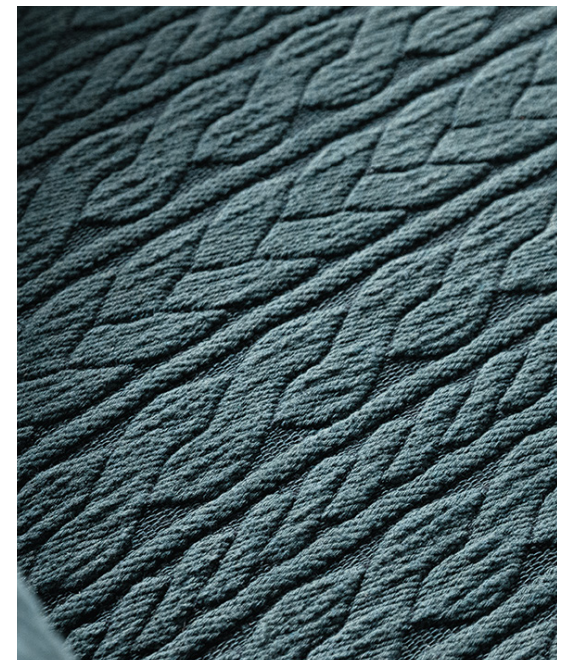

6 Colours | Suitable for upholstery and accessories

CRICKET RECYCLED COTTON WEAVE

A tribute to the classic cricket jumper, this large-scale, textured weave cleverly mimics the traditional detailing of a cable knit design and is created using recycled cotton yarns originating from the fashion industry.

4 Colours | Suitable for upholstery and accessories

**SPECK
WOOL BLEND**

Incorporating virgin wool yarns, this extra soft wool blend has a natural, fluffy appearance and enticing textural appeal.

4 Colours | Suitable for upholstery and accessories

**TERRAIN
BOUCLÉ WEAVE**

This densely woven bouclé weave conjures thoughts of rocky terrains with its extreme tactility and three dimensional appearance

5 Colours | Suitable for upholstery and accessories

**ROSES
QUILTED VELVET**

An intricate stitched pattern depicts a striking bed of roses on this innovative, quilted velvet. A dense cushioning creates an inviting, three dimensional effect.

4 Colours | Suitable for upholstery and accessories

**BEAR
MOHAIR**

This indulgent mohair is luxury personified, with an incredibly soft and extra-long pile, coloured in a sophisticated palette of neutral and pastel tones.

7 Colours | Suitable for upholstery and accessories

FLICKER WOOL BOUCLÉ

A subtle statement, Flicker is a dense wool bouclé weave that creates an irregular moiré effect and an intriguing textural finish through the varying depths of the bouclé.

6 Colours | Suitable for upholstery and accessories

EMBER CHENILLE BOUCLÉ

Super soft chenille is punctuated by textural bouclé creating an interesting contrast in texture and appearance.

7 Colours | Suitable for upholstery and accessories

MIX CHENILLE BLEND

As the name suggests, Mix is a combination of tactile chenille and twisted yarns in a fusion of multi-tonal colours to produce a usable, small scale weave with a pleasing textural appearance.

5 Colours | Suitable for upholstery and accessories

ABOUT KIRKBY DESIGN

Led by Brand Director, Jordan Mould, influential British interiors brand, Kirkby Design, has a contemporary and sometimes playful approach to innovative design and colour. Creating distinctive textiles from its in-house studio in London, Kirkby Design has also pioneered unique collaborations including the successful Underground collection with Transport for London and with the iconic fashion brand, Eley Kishimoto.

Kirkby Design is part of The Romo Group, a family run business in its fifth generation. The range is available worldwide through an extensive network of selected interior designers and retail outlets.

Please contact us for price information, samples and images, we are also happy to arrange interviews and offer expert commentary from our designers
