TEXTURED MODERN SHEERS

At the heart of this collection is a commitment to excellence in every detail. Scale and proportion, material and colour – each element is thoughtfully considered to ensure a perfect synergy.

These elegant sheers are not just decorative but also enhance any design scheme. With a distinct linearity and natural tactile quality, they are crafted from fibres like linen, alpaca and silk.

ABOUT US

Mark Alexander has established a reputation for creating the finest textiles and wallcoverings using natural materials. Led by Head of Brand Mark Butcher, the studio creates fabrics and wallcoverings that are not opulent or fussy, nor led by transient fashion, but are true to the natural materials from which they are made.

Mark Alexander is part of The Romo Group, a family run business in its fifth generation. The range is available worldwide through an extensive network of selected interior designers and retail outlets.

Please contact us for price information, samples and images, we are also happy to arrange interviews and offer expert commentary from our designers.
