PRESS RELEASE

# KABU

## *A Tactile Expression of Visual Artistry*

An invitation to awaken the senses, the Kabu collection is a celebration of artistry and sculpted depth, expressed through masterfully crafted embossed vinyl wallcoverings. Each design reveals a symphony of visual and tactile intrigue, where technical precision elevates surface into statement.

Quiet luxury unfolds through finely textured compositions, as silk-like finishes meet the tactile impressions of organic wood reliefs and abstract forms. Rich colour, dimensional embossing and considered design harmonise to shape interiors that radiate calm and sophistication.

Five distinctive designs showcase exceptional technical expertise, developed exclusively by Black Edition. Meticulous craftsmanship enhances the premium quality of vinyl, creating bespoke wallcoverings with remarkable depth and presence, surfaces that reward both sight and touch.

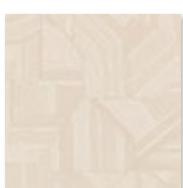

Engineered for lasting performance, the inherent strength, colourfastness and durability of these embossed wallcoverings provide a resilient foundation for creative expression. Visual artistry and enduring quality unite in a collection that embodies Black Edition's signature vision of contemporary luxury.

# Modulo

## *Embossed Wallcovering*

A striking maze of linear shapes and forms, Modulo transforms the corded yarns of the Modulo fabric design with astonishing realism to create the impression of a three-dimensional embroidery. Exuding exceptional depth, character, and tactile intrigue, this luxurious embossed wallcovering forms a rich expression for walls, whilst high-performance vinyl ensures it is as practical as it is beautiful.

Embodying exceptional technical prowess, the Modulo Wallcovering is created using a unique textural emboss which was developed exclusively by Black Edition. An 'in-register' design, Modulo is produced using a process which ensures that every printed line and embossed contour aligns perfectly, enhancing the depth, structure and tactile definition to transform the vinyl surface into an elevated interpretation of the original textile.
