TABALA

Wallcoverings

A defining aspect of any home, walls are to be adorned and admired. The Tabala Wallcovering collection highlights these unsung heroes to inspire creativity and encourage the use of texture and pattern to tell a story.

The Tabala Wallcovering collection is a curated body of work comprising an artistic and tactile offering. Distinctive designs inspired by abstract art, elegant silhouettes, and graphical forms, in a powerful palette of earthy tones, deliver meaningful impact while allowing the textural backdrops to sing. An experimentation of texture, organic grounds of raffia and grass cloth exude a trace of hand, while irresistible flock and metallic intonations offer an element of luxurious design, synonymous with Black Edition.

Mysa

Textured Wallcovering

Contemporary metallic shapes, created by the use of an innovative, cloud-like foam with a lustrous, foil print, form a unique three-dimensional block design on a soft, fibrous background.

The raised area of design is created by a unique ink that reacts to heat and puffs up in a cloud-like foam. The surface of the raised foam is then printed with a metallic foil.
