Decorative Prints, Weaves & Embroideries

Weaving together Black Edition's distinctive character and a creative approach to modern elegance, the Tsauri collection exudes an air of exclusivity and artistic innovation, whilst providing a new perspective on contemporary opulence.

A canvas for creativity, where abstract forms, bold, painterly brushstrokes, and imaginative designs come to life. The Tsauri collection saw the Black Edition designers immerse themselves in abstract art, the dynamic energy of music, and the unique elements of the natural world, drawing inspiration from intricate sculptures and the synergy between artistic creation and the organic beauty of the environment.

The result is a collection that captures the essence of the unexpected and brings it into the realm of design through sophisticated jacquards, striking velvets, characterful prints, innovative embroideries, and enchanting sheers.
