## Outdoor Weaves & Velvets

The Nicoya outdoor weaves and velvets collection takes on a theme of unapologetic escapism. Combining a range of twelve confident qualities, Nicoya features a variety of soft, textural woven designs including a reinterpretation of the fabulous Japura motif which combines tropical artistry with a unique tapestry like quality, as well as characterful geometrics, colourful small-scale designs and textural semi-plains.

Offering a bold new era of outdoor textiles, Nicoya introduces innovative velvets, further embracing the future of outdoor design. Particularly sumptuous, these solution-dyed acrylic velvets have exceptional colour fastness to light properties bringing an exciting, tactile addition to our range of outdoor suitable fabrics.

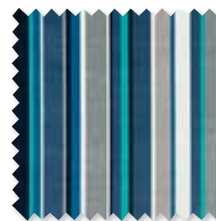

To complement the Nicoya collection of outdoor suitable fabrics, Romo also launches a range of outdoor cushions and Jacuba, a collection of indoor / outdoor trimmings.
