## Decorative Prints and Velvets

Hand-painted in the Romo design studio, striking blooms, dramatic foliage and a charming brushstroke spot design are digitally printed on soft cotton satins, cotton-linen blends and lustrous velvets, allowing the intricate details of the original artwork to be beautifully displayed. With seamless, contemporary style, an array of nature inspired, soft tones along with bold flourishes of playful colour infuse each design in this enchanting collection.

Otelie's cotton satins and cotton linens are printed in the United Kingdom.
