PLUMA WALLCOVERINGS

A sight to behold, captivating wallcoverings take you on a journey of discovery, as elegant details, indulgent textures and mesmerising colours bring the collection to life.

“Transforming the ordinary into the extraordinary, a mixture of fine tonal detailing, shimmering backgrounds and subtle textures add an irresistible individuality to each design.”

Emily Mould,
Director of Design and Excellence

The delicate nuances of nature have been wonderfully reimagined in this decorative collection of wallcoverings. Late 19th century documents inspired swirling florals, fluttering birds, and enticing peonies to create a magical backdrop that transfixes the senses.

A first for the Romo brand, Pluma wallcoverings offers two wall murals; a delicate willow design that is elegance personified and an immersive woodland scene that is reminiscent of a traditional chinoiserie.
