ROMO

PRESS RELEASE

Alston

Textured Weaves

Sulis

Plain Linen Blend

ALSTON

Textured Weaves

Style and versatility combine in our new textured weave collection Alston. Intertwining colour and texture the Alston collection uses an array of unique yarns, from soft chenille to natural linen, producing six desirable semi-plain designs, presented in a palette of on trend-shades with a striking movement of colour.

Alston and Sulis will launch at Focus during the September 2017 London Design Festival at the Design Centre Chelsea Harbour in the Romo showroom, and will be available globally through an extensive network of selected interior designers and retail outlets.

ALSTON

Textured Weaves

6 Designs

Suitable for upholstery, drapery and accessories

“Alston is a collection which showcases the impact that weaving different yarns can have, creating a collection which is bold in colour and texture.”

Emily Mould, Design Director

Halsey

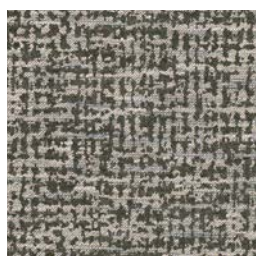

Textured Weave

Halsey features a textural abstract design and subtle bursts of colours, created through a combination of multi-coloured yarns and soft chenille.
