PRESS RELEASE

ZOLANI

Textured Weaves

Blurring the lines between plain and pattern, Zolani is a luxurious collection that tells a story of texture, with five highly tactile, chunky weaves that take a holistic approach to design and desirability.

A compendium of upholstery fabrics that will transform furniture into inviting, sensorial pieces that encourage more than just a moment of repose. Rich bouclés intertwine with unique fancy yarns and sumptuous chenilles in refined colours creating contemporary yet characterful fabrics that exude sophistication and redefine how to introduce texture to the home.
