## OUTDOOR PRINTS, WEAVES & TRIMMINGS

The exterior takes centre stage this season with Villa Nova's first collection of outdoor fabrics and trimmings.

As diverse and dynamic as ever, the Horto collections take Villa Nova's distinctive style and colour palette and translates it effortlessly into a blissful, high-performance outdoor collection.

Capturing the soul of travels, Horto has been designed to enjoy and endure, offering extreme durability alongside upbeat quirkiness and pots of personality. Whether on a sun-lounger, next to a pool or under a pergola, the practical, easy-care features ensure outdoor suitability.
