## Wide-width Satins

---

Taking drapery to new heights, Villa Nova presents Loess, a collection of sleek and sumptuous drapery qualities. Exuding an unassuming elegance and a touch of glamour, these luxurious wide-width satins offer refined textures in an on-trend colour palette.

A collection with an appealing confidence, highlights of Loess include a contemporary take on a damask design, a sumptuous quilted effect textile, and an intriguing three-dimensional quality.

## ABOUT US

Founded in 1993, Villa Nova is a young and vibrant brand with a dedicated team of talented in-house designers led by Design Director, Hayley McAfee. Villa Nova produces distinctive and eclectic collections based upon the philosophy of creating modern, versatile fabrics, wallcoverings and accessories that offer affordable style.

Villa Nova is a division of The Romo Group, a family run business in its fifth generation. The range is available worldwide through an extensive network of selected interior designers and retail outlets.

Please contact us for price information, samples and images, we are also happy to arrange interviews and offer expert commentary from our designers.
