

VILLA NOVA  
PICTUREBOOK

An Adventure in Illustration

Christopher Corr

A graduate of the Royal College of Art, Christopher Corr's work is about joy, colour and a love of life. He takes a great deal of inspiration from his global travels. In fact, his love of cities is reflected within his work, particularly ones where old meets new. Chris creates astounding imagery of scenes from around the world, and crazy, complex cityscapes. He enjoys architecture, all the way from stone huts through to modernist structures. Chris works in gouaches, painting on handmade papers as though he's using a pen.

Villa Nova was drawn to Chris's work as his illustrations are so vibrant in colour and vitality in subject matter that they lend themselves perfectly to cloth and wallpaper. The final collection captures the dynamic feel that Chris has in all his picture book illustrations.
