PICTUREBOOK

An Adventure in Illustration

Frann Preston-Gannon

Frann Preston-Gannon is a London based illustrator and designer. Her first picture book, *The Journey Home*, was published in October 2012 and was short-listed for both the Waterstones Children's Prize and the Cambridgeshire 'Read it Again' Book Prize.

With a unique style that is visually spectacular, Frann's illustrations can be described as a digital collage that is created by layering textures and colours. An attention to detail and obsession to create overall textures enhances each scene adding vibrancy to the subject matter. Frann's animals have an endearing quality that sparks an immediate fondness for them.
