# TRIMMINGS & TIEBACKS

Villa Nova's first extensive range of trimmings and tiebacks add the perfect finishing touch and a creative flourish.

This essential collection features decorative and embroidered braids, elegant fringes, exquisite tie backs, playful pom poms and a simple key tassel. An ideal way to introduce sophistication and individuality to drapes, blinds, furniture and cushions, these trimmings have been cleverly designed to embellish a variety of differently styled interiors. Comprising of three distinct looks; 'rustic and neutral', 'colourful cottons' and 'opulent and glitzy' these trimmings aim to add intrigue to any textile.

I am extremely excited to offer the premier trimming collection from Villa Nova that has been created to work in any interior

Hayley McAfee, Villa Nova Design Director
