holland park

decorative weaves & print

Hallmark Zinc, Holland Park is a collection of classic Zinc glitz and glam that lives up to its aspirational name. Inspired by the affluent avenues and crescents of one of London's most prestigious boroughs, the nine designs take their cue from the sophisticated essence of Holland Park.

Dramatic designs adorn dramatic qualities; jacquards, embroideries and chenilles play host to a bold flame stitch, lavish veined marble, classic houndstooth, an impossibly soft velvet and more. Holland Park encapsulates the glitz, glamour, and unashamedly extravagant spirit that defines Zinc.

about zinc textile

Originality and cutting-edge design are at the forefront of the Zinc Textile brand. Starting the journey in 2010, Head of Brand Justin Marrlaunched a brand that found inspiration in the heady heights of the 1970s and has remained true to the original aesthetic, while continually pushing the boundaries of design. With new and innovative collections launching each year, Zinc continuously offers versatile fabric and wallcovering ranges with unexpected elements.

Zinc Textile is a division of The Romo Group, a family run business in its fifth generation. The range is available worldwide through an extensive network of selected interior designers and retail outlets.

Please contact us for price information, samples and images, we are also happy to arrange interviews and offer expert commentary from our designers.
