MERCER

Plain Weaves

Plain but punchy, texture plays the lead role in the Mercer collection, a book of five indispensable fabrics.

An embossed velvet, a faux silk and a calendared chenille, as well as a melange velvet and a decorative weave make up this collection of the fantastic five. Rich in colour; shades of Hunting green, Calypso blue and Brunello red create strong statements, not forgetting the importance of classic neutrals.

ABOUT ZINC TEXTILE

Originality and cutting-edge design are at the forefront of the Zinc Textile brand. Starting the journey in 2010, Design Director Justin Marr launched a brand that found inspiration in the heady heights of the 1970s and has remained true to the original aesthetic, while continually pushing the boundaries of design. With new and innovative collections launching each year, Zinc continuously offers versatile fabric and wallcovering ranges with unexpected elements.

Zinc Textile is a division of The Romo Group, a family run business in its fifth generation. The range is available worldwide through an extensive network of selected interior designers and retail outlets.

Please contact us for price information, samples and images, we are also happy to arrange interviews and offer expert commentary from our designers.
